

Beyond Paradigm Summit 2019

17-18 July 2019
MITEC, KL

This July, innovators around the globe meet to exchange concepts and opinions for technological advancements at Beyond Paradigm Summit 2019 in Kuala Lumpur.

The time has come to showcase your organisation's proficiency, services, and solutions to leading technology experts as well as gain potential clients consecutively.

WHO SHOULD EXHIBIT?

Companies or service providers who are ready to invest in their digital transformation journey to propel and inspire their businesses for The Industrial Revolution 4.0.

HOW WOULD YOU BENEFIT?

1

Showcase your business to the region's leading entrepreneurs, innovators, investors, government sectors, and clients.

2

Network with industry specialists, suppliers, manufacturers, and service providers to gather expert insights for the latest advancements within your field.

3

Elevate exposure for your business amongst industry contemporaries.

EXHIBITION FEE & ENTITLEMENTS

Take this opportunity to network and make a strong statement about your brand's commitment to thought leadership and groundbreaking innovation. Discover digital transformation tools for revolutionary business opportunities with over 1,000 delegates by getting in touch with us today to secure your space.
